

Bluejeans Information

In Dept. 9, in-person hearings are required for trials, orders to show cause, and evidentiary hearings. For all other hearings, in-person hearings are preferred, but parties have the option of appearing remotely; however, they must appear by video. A telephonic appearance is unacceptable. If you do not have the ability to appear by video, then you must appear in person. The Bluejeans log-in information below will be used for all Dept. 9 hearings indefinitely. Please retain this information for your future hearings in Dept. 9.
